

ABOUT US

Dogwood Acres was established in 1966 as a 457-acre camp developed and supported by the Presbytery of Florida. The property includes pristine forests, freshwater streams, abundant wildlife, 7 miles of hiking trails, a swimming and canoeing lake, a low-ropes challenge course, a basketball court, a beach-style volleyball court, and ten comfortable climate-controlled retreat cabins

Dogwood Acres is the outdoor ministry of the Presbytery of Florida and part of the Presbyterian Church (USA). We welcome all of God's people to join us at camp.
